Special Activities for the Month:

Room 113: Nhu and Zugey

Welcome March! Spring is coming soon, and we are very excited about it. The staff have planned many fun activities for the children this month.

Every Wednesday - **Show & Tell**

March 7 - National Cereal Day: The children from the before-school program will participate in a tasting game by making their cereal bowl and adding different toppings like cinnamon, maple syrup, marshmallows and others toppings

March 8 - International Women's Day, the children will write a story or draw a cartoon with a girl as the hero.

On March 20th, the United Nations will celebrate the International Day of Happiness, and we would like to celebrate this date with **Fun Game Day Activities**.

On March 27, the children will learn and discuss the Easter Holiday and do a science experiment – The chemistry of dyeing Easter Eggs.

Room 121: Kyle and Jeanett

On March 8, **Women's Day**, we will have a group discussion about the role of women in society and how their roles have changed over time.

March 20 - International Day of Happiness - Animal dance game

On March 19, the **First Day of Spring**, the children will start working on the craft activity Big Bunny for the flower garden bulletin board.

March 25, Easter STEM activity – Magnet powered egg cars.

Room 412: Stephanie

March 8 - **Women's Day**, we will read and discuss biographies of famous women. Also, the children will create life-size flowers made of tissue paper.

March 16 - Sensory activity for St Patrick's Day: the children will make fluffy green slime with gold glitter.

March 20 - International Day of Happiness - Tip Top musical chair game.

March 26 - **Easter** Science Experiment – Bouncy Egg.
