24	25 FRENCH PROGRAM EVERY MONDAY	26 NATIONAL CAKE DAY 	27 SHOW & TELL EVERY WEDNESDAY 	28 MOVEMENT WITH JACKIE EVERY THURSDAY	29	30

- Please keep at least 2 extra sets of clothing in your child's cubby. Especially as we approach these colder months, ensure that extra clothing is appropriate for the weather. Extra sets should include socks, pants, shirts, shoes and underwear. Please label everything!
- If you haven't already done so, please bring a family photo for our family tree or email it to Susie@harmonycc.ca
- Every Monday, children will participate in a French Program with Laura. This program supports our curriculum by giving children the opportunity to learn a different language and develop social, emotional, listening and communication skills.
- Every Wednesday, we will have Show and Tell. Please have your child bring in something different from home. Children will take turns talking about their item in front of the class, followed by their friends asking them questions about it. This activity helps children develop practical communication skills and build confidence, speaking in a group setting.
- Every Thursday, children will participate in a Movement Program with Jackie. She will provide a dance focused program that includes games, extra fun and the opportunity to build self-confidence and creativity skills.
- On Friday November 1st, we will be celebrating Diwali by creating Diwali lamps.
- On November 1-2, we will celebrate "Dia de los Muertos". Children will be participating in a "Glow in the Dark Sugar Skull" experiment.
- Parents, please join us on November 7th for our Annual General Meeting. More details to follow closer to the date.
- On Remembrance Day, November 11th, children will be creating paper plate poppy wreaths.
- This year for "World Kindness Day", we will be discussing as a class what kindness is and create a kindness jar. As children name acts of kindness, the teachers will write down their ideas on a paper and put it into the kindness jar.
- On November 20th, please wear blue to support National Child Day. This special day recognizes our country's commitment to upholding the rights of children.
- On National Cake Day, each class will be baking a scrumptious cake for the children to enjoy!
