**** We would like to send a special thank you to Mrs. Jari Campanelli (Leah's mom) for coming in April and teaching us all about the Czech Republic. The children really enjoyed learning new words in Czech and getting to make a flag to take home: Dekuju. Also, Mrs. Sonia Almeida (Leila's mom) came in and taught us some new and fun yoga positions. Everyone wanted to participate, it was a little crowded but lots of fun.

Thanks again to you both ❤️ 😊

**** If there are any parents that can spend a few minutes teaching or participating in an activity with us, please let the teachers know (you can teach us a new language, play a musical instrument, create an art and craft project, etc....) We would love to have you be a part of our program.
